I'm a London-based Film&TV editor with over 8 years experience in film and TV. I've worked as an editor, assistant editor, and visual effects editor across Europe and Asia, collaborating with companies such as Sony and Toei, and on projects for platforms including Netflix, iQiyi, and Tencent. I graduated from the National Film and Television School in the UK, where I was awarded the Avid Excellence in Editing Award. I'm highly skilled in Avid and Premiere, with a keen eye for detail and a strong passion for storytelling.
